

# Nstat ESD Control

## Disposable Heel Grounder - NS-DIS-30

This heel grounder helps protect static-susceptible electronics from damage by shunting hazardous static buildup to ground.

### Applications

The disposable heel grounder is ideal for plant visitors and short term workers. Because of its low cost, it can also be shipped with loaded PC boards and other sensitive materials to provide the means for the field service technician to take appropriate ESD precautions.

### Characteristics

Length: 30cm

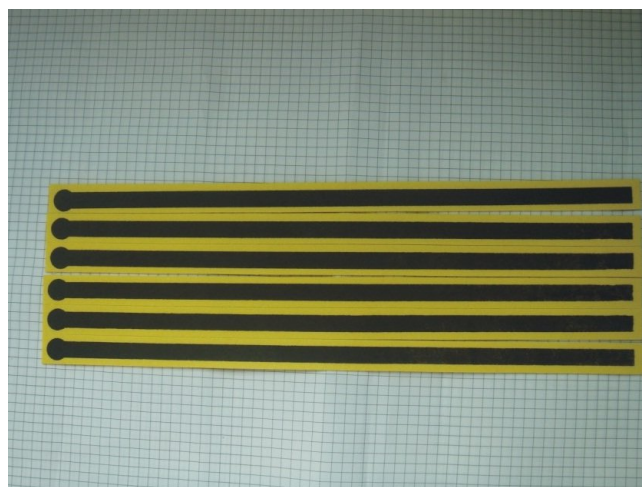

Width: 1.25cm

Material: Antistatic fabric with conductive coated polyester.

Surface Resistance: < 10e6 Ohms (@42% RH, 21 Degrees Celcius)

Static Decay Time: +/- 0.01 second (@ 42% RH, 21 Degrees Celcius)
