Clean Room Sticky Mat NS-800 Series

Placing high tech sticky clean room mats in traffic areas and main entrances will help protect and extend the life of floor finishes, carpets and furnishings. Sticky mats reduce maintenance and cleaning cost by significantly decreasing the amount of dirt contamination. The tacky adhesive coated film on the top of each sticky mat effectively removes dirt from shoes and equipment wheels.

As foot traffic or wheels pass over the surface of the sticky clean room mat, a non-transferring tacky adhesive coating locks onto the dirt and captures it. When the exposed layer is completely used, simply peel it off to expose the next clean layer.

Sticky mats can be placed in any location that a clean, uncontaminated room is required. A tacky adhesive backing sticks directly to the floor.

Part Numbers

- NS-8001836B (18" x 36" mat, Blue)
- NS-8001836W (18" x 36", White)
- NS-8002436B (24" x 36", Blue)
- NS-8002436W (24" x 36", White)
- NS-8002645B (26" x 45", Blue)
- NS-8002645W (26" x 45", White)

** 10 Pads per Box, 30 Sheets per Pad.
